Title: How to Manage Unions Efficiently

Author: Chao Min (趙敏)

Publisher: Chung-nan Hsin-hua Shu-tien, Hankow, 1950

Sponsor or
Issuing Authority: None indicated

No Pages: 24

Language: Chinese

Area of Coverage: China

Subjects Covered: Labor unions.

Scholarship Evaluation: Popular consumption

Review: Explains the broad principles of trade unionism and the organization
 of unions. Too general and lacks depth of information for serious
 study of the trade-union movement. Deals with very elementary prob-
 lems of why unions should be organized, their structure and purposes,
 how they should be managed, and their membership requirements.
